Compliance to California Proposition 65

August 28, 2018

To Whom It May Concern:

To the best of our knowledge, the materials we supply do not contain any of the substances listed in CA Proposition 65 also known as the Safe Drinking Water and Toxic Enforcement Act of 1986, nor do these materials come in contact with - or are intentionally added.

We understand that compliance to Proposition 65 is imperative; therefore every effort is made to ensure that the materials we supply conform to said requirements. A Safety Data Sheet (SDS) listing chemical composition of supplied material is available upon request.

If you need further information, please do not hesitate to contact Jocelyn Consiglio at admasst@erawire.com or call her at 203-933-0480.

Best Regards,

Richard Rae, Jr.
President
